IVERS CARE SERVICES

Ivers Care Services is a nursing agency based in Warrington, specialising in the provision of Nursing and healthcare support staff to the care industry including residential services, EMI units and NHS settings.

At Ivers Care we believe quality is delivering safe and efficient practice in a person centred manner, which is why our staff are trained and supported by qualified nurses with vast experience in this field.

We are aware of the dynamic expectations and demands of our clients from national regulatory bodies and therefore ensure our staff recruitment and training meets and exceeds regulatory requirements.

Our Approach

Our nursing care approach is person centered, focused on the patients therapeutic engagement and quality of life. Our staff deliver a range of care options from personal and social care, general nursing and specialised care.

Risk Management underpins our staff training and care delivery, ensuring regulatory compliance, enhancing your organisations clinical governances, cost effectiveness and service development.

Meeting your needs

We guarantee a rapid response to your staffing requests with individual nursing care solutions tailored to meet your service needs. All grades of temporary and permanent medical staffing of the very highest caliber at the most competitive rates

Staffing solutions when it really matters most

Committed to the provision of quality care

Ivers Care and Nursing Agency provides 24 hour nursing and care staff to the healthcare industry. Founded by registered nurses who themselves have worked in various specialist care settings including Learning Disability services, psychiatric secure hospitals and community settings and are highly experienced in providing high quality person centred care.

This experience has developed extensive knowledge and expertise in meeting the challenges required in identifying and supplying the right staff to meet client needs ensuring you meet all statutory requirements for health care settings .

Ivers Care are able to combine the strength of a national organisation with the local availability of fully trained Care Workers, Registered Nurses, Healthcare Assistants and Support Workers to CCG's, Independent Hospitals, Local Authorities, specialist industry service providers and private individuals.

Our aim is to tailor our services around our clients need to improve outcomes and clinical cost effectiveness.
